FashionShow Judge Name:

Junior Division

Score range (0 being the lowest, *n* highest):		0-5	0-5	0-15	0-15	0-10	0-10	0-10	0-10	0-10	0-10			
Team ID	**Team Name**	**Team intro & member role (*1)**	**PR delivery (*2)**	**Demo, reliability (*3)**	**Whole stage area used?**	**Artistic choreo-graphy & performance (*4)**	**creativity (*5)**	**robot team work & synchonization (*6)**	**Code inspec-tion (*7)**	**Robot mechanical design (*8)**	**New Tech. used & others**	**Total Max 100**	**Comments**	**Final Rank (*9)**

(*1) Member roles must be specific and professional; shows confidence and team spirit

(*2) Got attention, eye contact, loud enough, clear, spoke extemporaneously, honored time limit, time used effectively

(*3) Completed without human touch. (Note: human players can give signals unless it is not touched)

(*4) Artistic and choreograpical merit; harmony with music

(*5) Creativity of any area: costume, walk, dance, communication, etc.

(*6) If only **one** robot is used, the score is zero; motion is synchronzed?

(*7) Ask the team to explain some parts of their codes.

(*8) Check if robots are sturdy & durable, and well-engineered. Performed without breaking

(*9) Enter Rank after scoring all teams. The team with the highest score = rank #1
