

# Robofest 2007 FashionShow Judging Sheet (Average of two rounds by 3 judges)

FashionShow Judge Names: Dr. CJ Chung (LTU), Ms.P. Kowalsky (BRL), and Prof. M. Tedder (LTU)

## Junior Division

Score range (0 being the lowest, *n* highest):

		0-5	0-5	0-15	0-15	0-10	0-10	0-10	0-10	0-10	0-10		
Team ID	Team Name	Team intro & member role (*1)	PR delivery (*2)	Demo, reliability (*3)	Whole stage area used?	Artistic choreography & performance (*4)	creativity (*5)	robot team work & synchronization (*6)	Code inspection (*7)	Robot mechanical design (*8)	New Tech. used & others	Total Max 100	Comments
28-1		5	5	15	15	9	9	10	9	9	9	95	advance to Worlds
568-1		2	2	8	8	6	7	6	7	8	8	62	advance to Worlds

(\*1) Member roles must be specific and professional; shows confidence and team spirit

(\*2) Got attention, eye contact, loud enough, clear, spoke extemporaneously, honored time limit, time used effectively

(\*3) Completed without human touch. (Note: human players can give signals unless it is not touched)

(\*4) Artistic and choreographical merit; harmony with music

(\*5) Creativity of any area: costume, walk, dance, communication, etc.

(\*6) If only **one** robot is used, the score is zero; motion is synchronized?

(\*7) Ask the team to explain some parts of their codes.

(\*8) Check if robots are sturdy & durable, and well-engineered. Performed without breaking
