Location Judge's Oath

(Team 2705-1: Erik Rosvold, Rajesh Prabhu, Aaron Smuda)

On my honor, I agree to serve today as an official location judge of a Robofest online World Championship in a completely fair and impartial manner for this global event.

I personally commit to this responsibility with no conflicts of interest, direct relationship to the teams, or pre-determined expectations for the outcome of the competition.

I understand the spirit of robofest that students solve problems and adult coaches/parents are not allowed to assist during the competition.

I have read the GolfBowl rules carefully, understand them clearly, and will make my evaluations based on the rules.

After the competition, I will submit videos and scores with integrity.
