

International Teams can use the following chart to convert your student's age into an American grade level:

Student Age (as of September 1)	American Grade Equivalent	Robofest Division Eligibility
5 Years Old	Grade K	Robot Drawing
6 Years Old	Grade 1	Robot Drawing
7 Years Old	Grade 2	Robot Drawing
8 Years Old	Grade 3	Robot Drawing
9 Years Old	Grade 4	RoboParade
10 Years Old	Grade 5	Junior Division
11 Years Old	Grade 6	Junior Division
12 Years Old	Grade 7	Junior Division
13 Years Old	Grade 8	Junior Division
14 Years Old	Grade 9	Senior Division
15 Years Old	Grade 10	Senior Division
16 Years Old	Grade 11	Senior Division
17 Years Old	Grade 12	Senior Division

This is just a guideline – please use your student’s maturity and skill to make the final determination for division placement.
