(1) Summer Day Camp Updates
(2) Student Post-Survey, Coach and Volunteer Survey

Note: All times are listed in EDT unless noted

(1) Summer Day Camp Updates

We have updated the dates for 2 of the upcoming one-day summer camps for students to get hands-on experience with LEGO EV3 or VEX IQ robots. Each camp runs from 9:00 am to 3:30 pm in our Computer Science Robotics Lab on Lawrence Tech campus. Registration is open.

Workshop Dates:

Beginning RoboParade for LEGO EV3 with Scratch: **UPDATED** Wednesday, July 19

Beginning BottleSumo for VEX IQ using VEX Code: **UPDATED** Thursday, July 20

Intermediate Object Manipulation with VEX IQ: Wednesday, August 16

\$50 registration fee per team of up to 3 students / Bring your own lunch (juice or water and snack provided). Camp agendas and information can be found under *Get Involved/Camps* on the Robofest.net website. <https://robofest.net/index.php/current-competitions/camps0>. Registration is now open

(2) Student Post-Survey, Coach and Volunteer Survey

Coaches: Please remind your student team members who participated in Robofest to respond to the anonymous post-survey online. The URL can be found on the email that was recently sent to you by Robofest Founder & Advisory Board Chair Prof. CJ Chung.

Also, please respond to the Coach survey that was recently sent to you from Dr. Chung so we can find ways to improve the program.

Volunteers: Please respond to the survey that was recently sent as a link in an email from Dr. Chung. We are also very interested in hearing what volunteers have to say about the Robofest experience.

If you do not receive the email with the post-survey or survey link, please contact the Robofest office: robofest@ltu.edu.

Lawrence Technological University / Robofest / J-233 / 21000 W. Ten Mile Rd, Southfield, MI 48075
