

Global Robotics Art Festival

ROBOFEST® offers a unique STEaM (Science, Technology, Engineering, Arts, and Mathematics) competition with intelligent & interactive robotics in the visual and performing arts categories. Robotic visual arts include drawing/painting, kinetic arts, and sculptures. Robotics performing arts include dance, music, and skit.

Robots must have computational components programmed by participants and must employ sensors.

GRAFF age categories are Junior: 4th – 8th grade and Senior: 9th - 12th grade; Registration fee is \$30/ team

This third annual event will be held on Saturday, October 24, 2015, 9:00 am – 4pm, at Macomb Community College Expo Center, 14500 E. 12 Mile Road, Warren, Michigan 48088. Registration is open online at www.robofest.net.

GRAFF is a program of Lawrence Technological University's Robofest.

\$2,000 Renewable Scholarship offered to Winning High School Teams!
