### **Announcements:**

- Game Trophy Winners at today's event automatically qualify for the Robofest World Championship at Lawrence Technological University on May 19. If your score is close to trophy winners, do not destroy your robots yet. Your team may be invited later.
- Call for participation is open for the 3rd World conference on Integrated STEaM Education through Robotics (WISER 18) May 18, 2018 in conjunction with World Robofest 2018.
- The Robofest delegation from China is interested in visiting a local school in Michigan during their trip to the Robofest World Championship, on May 17. The students would like to see the US classrooms for around 2 to 3 hours. Email at [robofest@ltu.edu](mailto:robofest@ltu.edu), if interested in.
- Wanted: Robofest Ambassadors Volunteers for World Championship Events: We are looking for Middle School and High School students to represent the Robofest Community and assist our out-of-state and international guests in finding their way around the various venues on LTU during Robofest World Championship events on May 17 – 19. To sign up, email [robofest@ltu.edu](mailto:robofest@ltu.edu)

*A very sincere thank you to all of our participants today: Judges, Volunteers, Teams, Coaches, and Parents. We could not have Robofest without each of you! We hope to see you again World Robofest Championship on May 17-19*
