Advancement Process to World Robofest

This applies for Game and Exhibition categories only. There are no additional team registration fees for this World Championship. Robofest charges only one registration fee for the spring 2017 season. Florida organizer may charge only team check-in fee.

Non-Michigan US teams – Please review section 14 & 15 in the [General Rules](#) for non-Michigan US Exhibition teams to advance to World Championship via Video Screening

Registration rules for Open Categories: please review section 1 & 15 in the [General Rules](#).
